## OPPORTUNITY TO SERVE!

“Pete & Leah Humphries Reno Project”

**Project Details:**      **Date:** April 6-13 and 13-20 (2 crews, each for 1 week)

### What needs to be done?

- The primary and most urgent job is the roof. The entire roof will be replaced with new rafters being installed.
- After that, the living level of the house needs to be gutted. All exterior walls will need to be stripped to install cost saving insulation.
- Several windows and doors need to be replacing.
- Then there will be kitchen cabinets, drywall, etc.
- The existing brick chimney will need to be dismantled and replaced with an insulated SS chimney.

### Total Project Cost:

- Currently Pete & Leah have \$11,000 raised towards the project and have estimated approximately \$100,000 to complete.

*Please Note: This project is not a renovated hour for Pete & Leah, but rather providing a place for God's Messengers from around the world to receive care & guidance, so they can deliver the good news of Jesus to the ends of the earth!*

*Please contact Billy Derksen or Joe Doerksen for more information!*
