## Project Updates:

**Amanecer Bolivia:** Since our team left. We have also built several rooms and poured the floor for the second story rooms yet to be built! Several families have expressed interest in sending their children to school next year so Lord willing those rooms will soon be needed!

**Humphries Building Project:** The team has returned from the work project and have successfully removed and replaced the old roof! There is much work still to be done with framing, electrical, framing, drywall and painting.

Thank you for your ongoing support!

If you would like to financially support either of these projects, please designate your offering accordingly.

## A Home For Every Heart!

At last year's Missions Conference, the director of Ancla de Amor Ministries, Brian Krahn, mentioned their goal of building a second children's home for children 5 years and under. That campaign has officially started, with the goal of raising \$500,000 by the end of 2025!

If 500 people/families simply pledge \$1,000 we're already there!

Simply head over to <https://childrenofhope.info/donate> and direct your donation to "Ancla de Amor" and the "A Home For Every Heart" project!

*James 1:27 "Pure religion and undefiled before God and the Father is this, To visit the fatherless and widows in their affliction, and to keep himself unspotted from the world."*
