

CONNECTION

Almost every morning we look out the window and wish for snow. ☺ I know those that have lived in Alberta all their lives are very thankful for the long fall, but these Bolivians are wishing for snow!

Life is so different here, but we are adjusting. Some days our hearts yearn for Bolivia, but we feel called to minister here in La Crete Alberta.

We are excited to see how the Lord is opening doors for us to spread His wonderful Word. Some ministries opportunities are through the local churches, the newly planted (*Plautdietsch Evangelische Kjoakj*) Church, meeting with individuals, Bible studies and through the German Radio, (*Lawen Met Hopninj*). We will continue with the social media ministry that we started in Bolivia. As the Lord leads, we want to be here for the Mennonites that have immigrated to this foreign land (Canada).

We have officially finished our Home Assignment and are back to serving full time. We still need to meet with many of you our supporters which we hope to do this winter.

1 Corinthians 15:58
Therefore, my beloved brethren, be steadfast, immovable, always abounding in the work of the Lord, knowing that your labor is not in vain in the Lord.

Pray with us for:

- *Wisdom on how to help in the German Ministry
- *More supporters to join our support team
 - prayer
 - financial
- *Transitioning into North American culture

We are Praising the Lord:

- *For being able to be part of the Radio ministry & German church
- *For our supporters who see this ministry in La Crete among the Mennonites as important
- *For your continued support

Avant has put together a new support schedule for us in Canada. They want us to raise an additional \$2,800.00 (taking the average) above our current support. That would mean another 28 new supporters that give \$100.00 monthly, or our current supporters increasing their support. It seems like a huge amount to us, but we know God will provide.

If you feel lead to help with a one-time gift or an increase in your support, please contact us or go to AVANT website to do so.
