Set of End Times Meetings

God's Plan Unfolding in Our Church

A family who recently moved here from Bolivia visited our (a German church plant) several Sundays ago for the first time. The Lord had a special purpose for the husband that day. During the service, the message deeply moved him, which led him to rededicate his life to the Lord. We rejoice with his renewed commitment. He is now passionate about serving in the church and eager to be involved in various ministries. Although his family faces challenges, we ask for continued prayer that they remain steadfast in their faith as they seek to serve the Lord.

A Heart for the Mennonite Community

One evening during the End Times Series where Rudy preached the seven evening messages, a person approached the table where I was standing, eager to share their enthusiasm for the event. Their passion for the Lord was evident, and they carried a deep concern for their people. Praise the Lord for the soul like theirs that are burden for these precious people!

Looking Forward with Trust

Since moving to Canada after many years as Missionaries in Bolivia among the Mennonites, we thank the Lord for the opportunity to serve the Bolivian Mennonites in the Crete, Alberta. We trust the Lord for the harvest.
